## Joy And Light

Mr. N. Satheesh,  
Managing Trustee's  
message

All the staff and volunteers of JAL are striving every day to make lives of almost 100 JAL beneficiaries better. To give them adequate care, skills, respect. To give them safe environment in which they can heal, reside and play. We encourage them to be actively involved in our projects. None of this would be possible without the kind support of our donors and well-wishers. With heartfelt thanks we hope you will stay with us also in upcoming years and help us fulfill our dreams of new project.

## BLUE MOON AYUSH SHINE HOME

Follow us on:

# OUR PROJECTS

We employ more than 15 people and have over 20 volunteers helping us at various occasions.

At JAL we are running 3 projects in 4 locations of Pondicherry and Tamil Nadu in which we improve daily lives of close to 100 beneficiaries.

**1) BLUE MOON day care and Educational Centre** –where we provide quality teaching and support for more than 30 children, complementing it with additional activities such as reading, GK, Drawing, Storytelling, Craft work, Spoken English, Yoga, etc.

**2) AYUSH HOME for the senior citizens (2 locations)** – where we in 2 locations provide a proper home, food and medical care to 20 seniors who were abandoned and living on the streets.

**3) SHINE home for children diagnosed with cancer** – First of its kind in Pondicherry, its aim is to provide family based institutional medical care and support. Children are provided accommodation along with their parents, given medical care through JIPMER hospital, provided nutritious food...
